PRESS RELEASE

AMBIO

Contemporary archetypical form with confident character

The rounded table top form combined with back-turning, slimming legs builds a harmonic unity. The table Ambio appeals unique and distinct not only in round, but also in oblong shape.

Coffee table, stool and storage furniture have a unique form, they complement the AMBIO series brilliantly. The elegant leg form lends easiness and airiness to the storage furniture while the internal space is purposefully designed and offers generous storage. Ambio fuses a harmonic and easy optics with the expedience of the furniture. The appearance and highly qualitative workmanship makes this furniture collection to an absolute eye catcher in your home.

The table Ambio had a harmonic modern appeal with a diagonal crossing frame, combined with a rounded form and the tapering legs on the international jury that bestowed the table with ICONIC AWARDS 2018: Innovative Interior Winner.

Available in all solid wood types from vitamin design collection: European oak and knotted oak, ash, beech, core beech, American maple, walnut and cherry wood, treated with herbal oil.

PRESS RELEASE

Table MARGO
well-balanced bearing structure

The evolution of the multiple award-winning table MARGO iF Design Award, ICONIC AWARDS 2017 und German Design Award 2017.

At first glance the graphic quality of the table's modern form appears. The structural elements are defined by clarity of line. The awarded design elements have been refined with a clear, minimalistic round or square table top made of solid wood or linoleum, completing the graphical expression. The edge profile is made by individual choice with straight or chamfered edge.

Available in all linoleum and solid wood types from vitamin design collection: European oak and knotted oak, ash, beech, core beech, American maple, walnut and cherry wood, treated with herbal oil.
